

NFL Survivor Grid 2026

outpick.app | free printable | pool name: _____

[illegible]

Lives: write the number of mulligans the pool allows plus one, then cross one off each time that player loses. Zero left means out. Need more rows? Print this page again.

Rules reminder: pick one team to win each week, never the same team twice, a loss or a missed pick burns a life, last player standing wins. Full rules at outpick.app/survivor-pool-rules
